The new Cat ® 950 GC Wheel Loader is designed specifically to handle all the jobs on your worksite from material handling and truck loading, to general construction, to stockpiling. This machine is purpose-built to be just the right machine to get your everyday jobs done. Great machine performance combined with low owning and operating costs make the 950 GC the right choice for your business.

950 cat wheel loader | Heavy Equipment Forums

Hi, we have a older 950 loader and when we turn it to the left it turns fine, but when we turn it to right, it only goes half way, we try adjusting linkage and other things and nothing works, we can get it to turn all the way if we run the valve by hand, we took the steer box arm off and that seems to be working fine, anybody have any suggestion would be great..thanks

Cat | Wheel Loaders | Front End Loaders | Caterpillar

Part Number Interchanges Cross References

The video was supplied by the good folks at "English Russia" where indeed "something cool happens daily on 1/6th of the earths surface." You can also see a pictorial record of the history of Russian crawler production and design and agricultural tractor development in our picture albums. We have shipped parts to Russia, and the mechanics and equipment owners there certainly exercise ingenuity ...

Cat 950G float feature problem | Heavy Equipment Forums

We have recently bought an older 950G loader 5MW series. It appears to have the bucket float feature; push the boom lift lever forward and it "floats" the bucket.
