Music and audio equipment

Manuals Warehouse is your source for copies of owners manuals, service manuals and other documentation on audio, music, stage and studio equipment.

Radios For Sale at the Radio Attic

B. Baldwin 99 Metal Speaker (metal speaker) This is a nice playing speaker for your vintage radios. Only 13"H. \$105.00. (0380414) Ballantine's Whisky Eight-Transistor Radio (plastic replica radio) A really nice novelty radio that works fine. These usually have the labels in poor condition; not this baby, it's grand.

Phonograph

The phonograph is a device for the mechanical recording and reproduction of sound. In its later forms, it is also called a gramophone (as a trademark since 1887, as a generic name in the UK since 1910) or, since the 1940s, a record player. The sound vibration waveforms are recorded as corresponding physical deviations of a spiral groove engraved, etched, incised, or impressed into the surface ...
