

Download Finals In Surgery A Guide To Success In Clinical Surgery

Chapter 10: Introduction to the lens and cataract surgery ...

If you're rotating through an ophthalmology department, you're going to be dragged into surgery at some point. Cataract surgery is our signature operation, so it's worthwhile to familiarize yourself with basic lens anatomy and surgical goals. The eye is the most amazing organ in the human body, and the lens is one of the most [...]

William DeVries

Early years and Medical School. William DeVries was born December 19, 1943 in Brooklyn Navy Yard. His father, Henry DeVries, was a Dutch immigrant who died in combat on the destroyer USS Kalk (DD-611) in 1944 during the Battle of Hollandia, where he had enrolled as a naval surgeon. When his father died William was only six months old.
