## Minnesota State Historic Preservation Office (SHPO)

The National Historic Preservation Act of 1966 provided for a network of historic preservation offices in every state to spearhead state preservation initiatives and help carry out the nation's historic preservation program. Minnesota's State Historic Preservation Office (SHPO) was created by state statute in 1969 to provide statewide leadership.

## Historic preservation

Historic preservation (US), heritage preservation or heritage conservation (UK), is an endeavour that seeks to preserve, conserve and protect buildings, objects, landscapes or other artifacts of historical significance. This term refers specifically to the preservation of the built environment, and not to preservation of, for example, primeval forests or wilderness.

## National Historic Preservation Act of 1966

The National Historic Preservation Act (NHPA; Public Law 89-665; 54 U.S.C. 300101 et seq.) is legislation intended to preserve historical and archaeological sites in the United States of America.
