## Physician assistant scope of practice

medicine through oversight of physicians, physician assistants and related medical personnel.<sup>5</sup> The AMA also opposes legislative efforts to establish autonomous regulatory boards meant to license, regulate, and discipline physician assistants outside of the existing state medical licensing and regulatory bodies' authority and purview.

## **Physician Assistants in Family Medicine**

Physician Assistants in Family Medicine: Job Duties and Responsibilities. Physician assistants (PAs) receive a broad, generalist education at the master's level, which prepares them to provide diagnostic, therapeutic, and preventive care, making them important members of the family medicine team.

## **Physician Assistant Medicine: 11 Misconceptions • Inside ...**

Physician assistants don't specialize. Cue the buzzer – false again. PAs specialize in pretty much every area of medicine. About 36% of PAs work in primary care, with the other 64% working in surgical, ER, and subspecialty areas, such as dermatology or rheumatology.

## **Home**

The American Academy of PAs is the national professional society for PAs and advocates and educates on behalf of the profession and the patients PAs serve. Learn about membership, our national conference, and more.
