History of the race and intelligence controversy

The history of the race and intelligence controversy concerns the historical development of a debate, concerning possible explanations of group differences encountered in the study of race and intelligence. Since the beginning of IQ testing around the time of World War I there have been observed differences between average scores of different population groups, but there has been no agreement ...

ABSTRACT The introduction of democracy in South Africa brought some hope to millions who were previously marginalised. The new government transformed the public service by developing and enacting policies that would ensure fairness and equity in the

Institutional racism

Institutional racism (also known as systemic racism) is a form of racism expressed in the practice of social and political institutions. It is reflected in disparities regarding wealth, income, criminal justice, employment, housing, health care, political power and education, among other factors.. The term "institutional racism" was coined and first used in 1967 by Stokely Carmichael (later ...
