German idealism

German idealism (also known as post-Kantian idealism, post-Kantian philosophy, or simply post-Kantianism) was a philosophical movement that emerged in Germany in the late 18th and early 19th centuries. It began as a reaction to Immanuel Kant's Critique of Pure Reason. German idealism was closely linked with both Romanticism and the revolutionary politics of the Enlightenment.

Conservatism

Conservatism is a political and social philosophy promoting traditional social institutions in the context of culture and civilization. The central tenets of conservatism include tradition, human imperfection, organic society, hierarchy, authority, and property rights. Conservatives seek to preserve a range of institutions such as religion, parliamentary government, and property rights, with ...

SOCIAL INEQUALITIES AND ALCOHOL AND DRUG USE AND PROBLEMS

A Stockholm County study gives a sense of the combined effect for chronic and acute alcohol-specific harms to health. Comparing rates of relatively heavy drinking among manual workers in 1984 with those among higher level nonmanual workers, the rates for manual workers were about 1.5 times higher for men, and about equal for women. But hospitalization rates for alcohol-specific causes were ...

German Government Cuckolds Its Men By Teaching Migrants ...

The German Government recently put online a website called Zanzu, my body in words and images, that “explains sexual and reproductive health” in the West to migrants. It is exclusively aimed at them, as the explanatory video stipulates it at 00:04 (for non-German speakers).. The problem is that what the government depicts as being normal pushes the idea without naming it—that interracial ...

Social media and social movements – International Socialism

The past few months have seen an explosion of debate, blogging, theorising and hype around the role of the Internet in today's social movements. 1 Social media—Internet applications such as Facebook, Twitter and YouTube which facilitate the creation and exchange of user-created content—have been identified as key to events as diverse as the rise of student protests in Britain at the end ...

Social

Education - Social-reconstructionist education: Social-reconstructionist education was based on the theory that society can be reconstructed through the complete control of education. The objective was to change society to conform to the basic ideals of the political party or government in power or to create a utopian society through education.
