## **List of American Sewing Machine Manufacturers A to Z**

Although Elias Howe had patented the lock stitch sewing machine in 1846 initially there was little interest in this new invention. Gradually though a small number of firms started to produce primitive sewing machines and later the American courts decided many of the machines produced infringed Elias Howe's Patent.

## **Pfaff Performance 5.0 Review | Sewing Insight**

The people at Pfaff have released a sewing and quilting machine that is not only sure to please the intermediate or advanced home sewer, but is easy enough to operate, someone who is new to sewing would be comfortable with it as well.
